

**Fremont Parks and Recreations Board**  
**August 11, 2009**

**Meeting Minutes**

Attending: Neil Ledet, Anne Abernathey, Drew Kuespert, Liz Thomas.

**Meeting of Park Board called to order at 6:10pm.**

No minutes to review, as Drew just returned from vacation day.

**Old Business**

1. Mosquito Theatre: Aug. 7 was rainy. The weather cleared up by 8:30, and everything was set up quickly, but no one showed up for the movie. After discussion, the Board felt that it is worth continuing the movie event next summer, but publicity must increase. Some discussion occurred considering a fall movie event, but that was tabled until next meeting.
2. Bird/Bat Houses: Town workers picked up the houses and stored them at the softball concession stand. Anne will contact Chris about putting up the bird houses on posts around the pond, and screwing the bat houses to trees fairly high up.
3. Noise Issues: The Town is working out solutions with Dexter Axle.
4. Park Benches: Board members didn't research benches (everyone took vacations!) so bench selection has been moved to the next meeting.

**New Business**

1. Neil suggested that we install a kiosk/covered notice board in Water Tower Park near the pavilion. After discussion it was decided that this would be a good way to post hours, post when the pavilion is rented and to provide notice for upcoming events. Board will research purchasing kiosks, and benches for Broad St. Park and be prepared to vote on purchase next meeting.
2. Board discussed installing a disc golf course. After discussion, Board decided that the idea has merit, and will investigate the possibility. This would provide unique recreation opportunity for all ages.
3. Drew suggested that the Board consider a game or tournament day in the park next summer – ladder ball, or similar game. Board will discuss further.
4. Anne will look at the 5 year plan and see where we stand on the plan, and bring a review to the next meeting.

September 8<sup>th</sup> will not work with several park board member schedules, so the Board decided to move the meeting to Thursday, September 17 @ 6:00

Meeting adjourned at 7:30. Next meeting is Thursday, September 17 @ 6:00.
