Doug Jackson with Autoform Tool also attended the meeting.

Chris introduced Doug Jackson from Autoform Tool who is requesting a tax abatement. The SB-1 was distributed to the members outlining the request for tax abatement on the purchase of \$1,694,000.00 of manufacturing equipment purchases to support a new manufacturing line for fuel rail production. An abatement was approved last year for both real estate and manufacturing equipment but the expansion has been reduced due to uncertainty in the automotive market. Discussion followed. Ben moved to approve Resolution 2007-1, second by Steve Brown, all in favor.

Ben Roederer moved to adjourn, second by Steve Brown, all in favor.
